The screenshot displays the Assurity E-App interface on a tablet. The browser address bar shows 'http://www.assurity.com/eapps'. The Assurity logo is visible in the top right corner. The main content area is titled 'Proposed Insured (1)' and is divided into two sections: 'Case Information' and 'Application'. The 'Case Information' section includes fields for First Name, Middle Name, Last Name, Height (ft), Weight, Gender (Male/Female), Social Security Number, Home Address, Street Address, City, State (dropdown menu), Zip Code, Personal Phone No., and Email. The 'Application' section contains several checkboxes and dropdown menus, including 'Proposed Insured (1)', 'Policy Information', 'Physician Info', 'Premium Payment', 'Health Section (1-4)', 'Proposed Insured HIV No...', 'General Section (1-2)', 'Existing Insurance', 'Agent's Statement', 'Agent Information', and 'Validate And Lock Data'. There are also radio buttons for 'Yes' and 'No' for several questions, such as 'Does the Proposed Insured have a valid driver's license?' and 'Has the Proposed Insured ever used any form of tobacco or nicotine-based products...'. Navigation buttons for 'Back' and 'Next' are located at the bottom of the form.
